Now is the perfect time to share the warmth and giving spirit of the season with those in need. Phillips Precision Medcraft has always supported local charities throughout the year. We are proud to extend this support to pets in our area that really need our help...and yours.

This year we're supporting the **11th Hour Rescue** in Rockaway, NJ who quite literally save pet lives everyday. They provide shelter and fostering for almost 400 dogs and 200+ cats. 90% of these animals are rescues from high kill shelters. The remaining animals are surrenders.
